

By Touch A Heart Foundation

Touch A Heart Foundation is a non-profit 501(c)(3) dedicated to enriching the lives of disadvantaged children in South Florida. We work with selected agencies, group homes for children, Title I schools, low-income daycare centers, and other organizations that support children in the tri-county area to create outreach programs to assist children and families in distress.

In the past year Touch A Heart held our annual holiday Adopt-A-Family program, Backpack and School Supplies Drive, Birthdays-in-a-Bag for foster children, Empower the Girls self-defense classes for at-risk teenagers, and The Joy of Giving shopping boutique – an opportunity for low-income children to give holiday gifts to their own families as well as other drives when organizations request specific items they are in need of. Volunteers are encouraged to get involved with all of our programs to give back to the community.

Our upcoming program is our Halloween Costume Drive to benefit foster children in group homes. Sponsors will receive the name of a child, their age/size and their first and second choice of costume. They are asked to purchase a costume, a bag of candy and a trick-or-treat bag for their child and drop it off by September 26th. To sponsor a child and ensure they have a “sweet” Halloween, email: vijayalj@yahoo.com.

On January 28, 2019, we are holding our 15th Annual Spa Day fundraiser at The Oaks at Boca Raton from 9:30am - 2:00pm. Spa Day is our one major fundraiser that supports our yearly programs. Wellness professionals from the community volunteer their time and services for guests to enjoy a day of relaxation. \$110 event donation includes a choice of a service (Massage, Reiki Healing, Acupuncture, Hair Blow Out, Facial, Spiritual Reading, Eyebrow Shaping or a Tennis Clinic) PLUS lunch, Pilates, Yoga, boutique shopping, raffles, and more. 100% of the ticket price goes to Touch A Heart. It's relaxing for a good cause!

FIELD OF FLOWERS

Enjoy
\$5.00 off
a *DIY Flower Arranging*
